

It takes a **FAMILY**

At It Takes a Family we strengthen the institution of family by equipping parents to lead effectively at home, & in their community from a Biblical worldview.

## Educate

We teach parents medically accurate and objective truths about identity, marriage, sex and relationships

## Equip

We equip parents with leadership skills to build trust and confidence within the family that is purpose and value driven

## Engage

We teach parents how to effectively engage with their children and the community without compromising God's truth

*It Takes a Family to raise strong children, build healthy communities and form a great nation*

We want to help you **RECLAIM PARENT-HOOD** and be the leading voice in your child's life.

*When you instill value and purpose within the family, your children will not be easily swayed by world culture.*
