

NATIONAL SAFE HAVEN ALLIANCE

OUR MISSION

The National Safe Haven Alliance equips Safe Haven Providers and parents facing unplanned pregnancies with safe alternatives that prevent infant abandonment while providing holistic care for both parents and babies.

24/7 Crisis Hotline

Twenty-four hours a day, seven days a week, NSHA is here to help! Our highly trained Crisis Response Team is made up of nurses and social workers with years of experience.

OUR APPROACH

Through our three-tiered approach, our team will be able to help talk through different options and establish the best plan. Our team creates a safe and open dialogue that is required when facing a crisis. During this communication process, NSHA will work with the mother to determine her immediate needs and begin the intervention process.

the nation

KIND & CARING staff are available to direct women to the resources they need and answer all of their questions. We provide the following options.

Option 1: Parenting

If they want to speak with someone about parenting, our helpline staff will connect them with the nearest Pregnancy Resource Center.

Option 2: Temporary Placement

Temporary placement provides a short-term solution for parents in need who are not looking to surrender their child.

Option 3: Adoption

NSHA uses a rotating list of adoption agencies and we are able to connect her with an agency anywhere in the county. We can also answer any questions she may have, discuss the adoption plans available to her, and help her choose the best option that fits her situation.

Option 4: Safe Haven

NSHA's Crisis Hotline staff can provide Safe Haven locations nearest to her and discuss this option in more detail.
