

# love line

when you love first, life follows

**We assist pregnant and single moms with small children by offering practical help and connecting them with life affirming care.**

## CONNECT

We will start by getting to know her when she contacts us by phone call or text.

## CARE

We will listen to her needs and determine how we can help her best.

## COMMITMENT

We commit to follow through and follow up to ensure that her needs are met.

## COMMUNITY

We will provide ongoing support in her community through our loving volunteers and vetted organizations.

### LoveLine

A Project of ProLove Ministries  
[proloveministries.org](http://proloveministries.org)

We individualize the care that we offer.

Our hope is to be present with her and help her navigate through her circumstances by providing assistance in the areas where she has unmet needs.

### Here are Some Ways that We Help, Depending on Her Needs:

Financial assistance to pay bills

Material assistance (baby registry, household items)

Financial coaching with Dave Ramsey trained coaches

Counseling with a licensed therapist

Mentoring & emotional support

Education scholarship

Community care
